

# LifeQuest Client Testimonials

*“Thanks for all the increased revenues to our service!! Our budget looks great annually with better billing returns. I do appreciate monthly information. It gives me amounts of information to bring to our commission meetings.”* Lodi Area EMS

*“Great job!! We used two billing services before and had problems. Then we switched to LifeQuest and they are ‘off the charts’ as to being professional and knowledgeable and with the customer service and the extra stuff that Jerry (Miller) does for us, there are no dollar figures you can put on that.”*

*“Your staff is extremely friendly and helpful. Doesn’t anybody ever have a bad day at LifeQuest? I have never known a company that goes out of its way like you do. I think that is because you guys are EMT’s also.”* Mt. Calvary Ambulance
